

Goodwill Industries WIOA

The Workforce Innovation and Opportunity Act (WIOA) program provides training, employment, and educational opportunities for eligible, low-income youth and adults.

A WIOA representative will be at *The Work Place* every Tuesday, Wednesday and Thursday, from 10 am to 3 pm. Please stop by The Work Place, 320 Hospital Drive in Warrenton to meet with one of the WIOA reps.

What does the program offer?

- **Monthly job skill workshops** – covering resume writing, interviewing skills, money management, conflict resolution in the work place.
- **Tuition and textbook assistance** – providing educational opportunities for participants at any WIA-approved vocational, community college, or 4-year college program.
- **Free weekly tutoring** – assistance in reading and math for college placement tests or GED.
- **Paid work experiences and internships** – participants are placed at a host worksite which corresponds with their career interests and aptitudes.
- **Career assessments** – using the CareerScope.
- **Guidance and Counseling** – navigating personal, vocational, and educational hurdles.
- **Community service opportunities** – building work readiness skills, community awareness, and positive connections with partnering organizations.
